8. **Yeates, K. O.** (1997, April). *Assessment and management of nonverbal learning disabilities and specific arithmetic disorders.* Invited address presented at the Mayo Clinic Learning Disorders Assessment Program Annual Symposium, "Learning disability subtypes," Rochester, MN.
9. **Yeates, K. O.** (1999, February). *Paradigms and principles in pediatric neuropsychology: It's as easy as ABC, but don't forget about D.* Invited seminar presented at the annual meeting of the International Neuropsychological Society, Boston.
10. **Yeates, K. O.** (1999, April). *Identification of early developmental delays.* Invited address to the University of Hawaii Postgraduate Medical Education Program, Okinawa Chubu Hospital, Gushikawa City, Okinawa, Japan.
11. **Yeates, K. O.** (1999, April). *Children's adjustment to chronic illness.* Invited address to the University of Hawaii Postgraduate Medical Education Program, Okinawa Chubu Hospital, Gushikawa City, Okinawa, Japan.
12. **Yeates, K. O.** (1999, April). *Neurobehavioral outcomes following pediatric traumatic brain injury.* Invited address to the University of Hawaii Postgraduate Medical Education Program, Okinawa Chubu Hospital, Gushikawa City, Okinawa, Japan.
13. **Yeates, K. O.** (1999, April). *Diagnosis and management of pseudoseizures.* Invited address to the University of Hawaii Postgraduate Medical Education Program, Okinawa Chubu Hospital, Gushikawa City, Okinawa, Japan.
14. **Yeates, K. O.** (1999, April). *Neurobehavioral outcomes of spina bifida and hydrocephalus.* Invited address to the University of Hawaii Postgraduate Medical Education Program, Okinawa Chubu Hospital, Gushikawa City, Okinawa, Japan.
15. **Yeates, K. O.** (1999, May). *The neuropsychology of pediatric head trauma: Assessment and rehabilitative strategies.* Invited address to the annual Nelson Butters' West Coast Neuropsychology Conference, "Advances in the neuropsychological assessment and treatment of school-age children with cognitive deficits," sponsored by the Department of Psychiatry, University of California at San Diego.
16. **Yeates, K. O.** (1999, June). *Pediatric and adolescent brain injury: A developmental biopsychosocial perspective on recovery and rehabilitation.* Invited address to the 11th Annual Conference on Rebuilding Shattered Lives, "Recovery and rehabilitation after brain injury: Innovative concepts and clinical principles," sponsored by the Center for Head Injuries, JFK Johnson Rehabilitation Institute, Edison, NJ.
17. **Yeates, K. O.** (1999, November). *Neuropsychological outcomes in pediatric closed-head injuries.* Invited seminar presented at the annual meeting of the National Academy of Neuropsychology, San Antonio.

18. **Yeates, K. O.** (2000, March). *Pediatric neuropsychological assessment: Implications for therapy and education*. Invited address to the conference, "Pediatric rehabilitation: Opportunities in the next century for the child with brain injury," sponsored by the Rehabilitation Institute of Chicago and the Department of Physical Medicine and Rehabilitation Medicine, Northwestern University Medical School, Chicago.
19. **Yeates, K. O.** (2000, May). *Role of the family in pediatric brain injury*. Invited address to the 15th Annual Missouri Head Injury Advisory Council conference, "Head injury: Spring into the millennium," sponsored by the Missouri Head Injury Advisory Council, Brain Injury Association of Missouri, and University of Missouri Model Brain Injury System, Jefferson City, MO.
20. **Yeates, K. O.** (2001, July). *The role of the family in childhood traumatic brain injury*. Invited address to the Brain Injury Association's 20th Annual Symposium, "Building blocks of change," Atlanta.
21. **Yeates, K. O.** (2001, November). *Mild closed head injuries in children and adolescents*. Invited seminar presented at the annual meeting of the National Academy of Neuropsychology, San Francisco.
22. **Yeates, K. O.** (2003, April). *Recovery from traumatic brain injury in children: The role of the family*. Invited Grand Rounds presentation to the Royal Children's Hospital, Melbourne, Australia.
23. **Yeates, K. O.** (2003, May). *Mild head injury*. Invited workshop at the conference, "Childhood head injury: Understanding the hidden handicaps," sponsored by the Australian Center for Child Neuropsychological Studies, Murdoch Children's Research Institute, and Australian Society for the Study of Brain Impairment, Melbourne, Australia.
24. **Yeates, K. O.** (2003, May). *Neuropsychological and behavioral sequelae of mild closed-head injuries in children and adolescents*. Invited presentation to the Fifth World Congress of the International Brain Injury Association and CTRF First International Symposium on Acquired Brain Injury in Children and Adolescents, Stockholm, Sweden.
25. **Yeates, K. O.** (2004, June). *Consilience and pediatric traumatic brain injury: From genes to culture*. Invited seminar at the annual meeting of the American Association of Clinical Neuropsychology, Minneapolis.
26. **Yeates, K. O.** (2004, June). *Learning disabilities subtypes and education*. Symposium discussant at "Clinical Neuropsychology: Science and Practice," in honor of Byron P. Rourke, sponsored by the Department of Psychology, Windsor University, Windsor, Ontario.
27. **Yeates, K. O.** (2004, June). *Mild head injury and post-concussive symptoms*. Invited presentation to the Canadian Congress of Neurological Sciences, Calgary, Alberta.
28. **Yeates, K. O.** (2004, June). *New directions in pediatric traumatic brain injury: From genes to families*. Canadian Association of Child Neurology John Tibbles Lecture to the Canadian Congress of Neurological Sciences, Calgary, Alberta.
29. **Yeates, K. O.** (2004, June). *Social and behavioral outcomes of acquired brain injury*. Invited presentation to the Canadian Congress of Neurological Sciences, Calgary, Alberta.
30. **Yeates, K. O.** (2005, January). *Mild head injury and post-concussive symptoms*. Invited presentation to the Developmental Cognitive Neuroscience Unit, Institute of Child Health, London, England.

31. **Yeates, K. O.** (2005, January). *New directions in pediatric traumatic brain injury: From genes to families*. Invited seminar at the conference, "Genes, Brains, and Development: Advances in Pediatric Neuropsychology," sponsored by the British Psychological Society Division of Neuropsychology, Guy's Hospital, London, England.
32. **Yeates, K. O.** (2005, March). *Long-term outcomes of TBI in infancy and early childhood*. Invited address to the 18th Annual Conference of the Pacific Northwest Neuropsychological Society, "Traumatic brain injuries, teratogens, genetics, and learning disabilities: Childhood disorders grown up," Seattle.
33. **Yeates, K. O.,** (2005, May). *Outcomes of pediatric traumatic brain injury: Toward a multi-level, integrative research program*. Invited workshop presented at the Sydney Children's Hospital, Sydney, Australia.
34. **Yeates, K. O.** (2005, September). *Adaptation, brain, context, and development: The world according to Jane*. Invited keynote address, "Brain-Context-Development: A symposium in honor of Jane Holmes Bernstein, Ph.D.", sponsored by the Department of Psychiatry, Children's Hospital, Boston.
35. **Yeates, K. O.** (2005, September). *Neurobehavioral outcomes of childhood traumatic brain injury*. Invited presentation to the Wuhan Children's Hospital, Wuhan, Hubei Province, China.
36. **Yeates, K. O.** (2006, March). *Neuropsychological and neurobehavioral consequences of mild head injury in children*. Invited workshop presented at the 16th annual Nelson Butters' West Coast Neuropsychology Conference, "Advances in pediatric neuropsychology: From toddlers through school-age children," sponsored by the Department of Psychiatry, University of California at San Diego.
37. **Yeates, K. O.** (2006, May). *Outcomes and assessment: Towards best practices*. Invited address to the Galveston Brain Injury Conference, Galveston, TX.
38. **Yeates, K. O.** (2006, October). *Neuropsychological outcomes of mild head injury in children*. Invited address to the Astrid Lindgrens Children's Hospital, Karolinska University Hospital/Karolinska Institute, Stockholm, Sweden.
39. **Yeates, K. O.** (2006, December). *Clinical neuropsychology in the United States: Education, training, credentialing, and careers*. Invited address to the Victorian College of Clinical Neuropsychologists, Melbourne, Australia.
40. **Yeates, K. O.** (2006, December). *Social outcomes in childhood brain disorder: Conceptual and methodological advances*. Invited address to the Australian Centre for Child Neuropsychological Studies, Murdoch Children's Research Institute, and Department of Psychology, Royal Children's Hospital, Melbourne, Australia.
41. **Yeates, K. O.** (2007, March). *Social outcomes in childhood brain disorder*. Invited workshop presented at the 17th annual Nelson Butters' West Coast Neuropsychology Conference, "Advances in the neuropsychological assessment and treatment of school-aged children with cognitive deficits," sponsored by the Department of Psychiatry, University of California at San Diego, CA.
42. **Yeates, K. O.** (2007, August). *Traumatic brain injury in children: An exemplar for developmental neuropsychology*. Presidential address to the Division of Clinical Neuropsychology, presented at the annual meeting of the American Psychological Association, San Francisco.

43. **Yeates**, K. O. (2007, September). *The role of the family in pediatric traumatic brain injury*. Invited keynote address to the conference, "Brain injury across the lifespan," sponsored by the Scottish Neuropsychology Network, Edinburgh, Scotland.
44. **Yeates**, K. O. (2008, June). *Mild head injuries in children*. Invited workshop presented at the annual meeting of the American Academy of Clinical Neuropsychology, Boston.
45. **Yeates**, K. O. (2009, January). *Neuropsychological outcomes of mild traumatic brain injury in childhood*. Invited keynote address to the First UK Pediatric Neuropsychology Symposium, sponsored by The UCL Institute of Child Health and Great Ormond Street Hospital for Children, London, England.
46. **Yeates**, K. O. (2009, January). *Social behavior and development following childhood acquired brain injury*. Invited keynote address to the First UK Pediatric Neuropsychology Symposium, sponsored by The UCL Institute of Child Health and Great Ormond Street Hospital for Children, London, England.
47. **Yeates**, K. O. (2009, November). *Pediatric mild TBI and post-concussive symptoms*. Invited address to the 7th annual Pediatric Brain & Spinal Cord Injury Conference, sponsored by the Miller School of Medicine, University of Miami.
48. **Yeates**, K. O. (2009, November). *Social outcomes in children with TBI*. Invited address to the 7th annual Pediatric Brain & Spinal Cord Injury Conference, sponsored by the Miller School of Medicine, University of Miami.
49. **Yeates**, K. O. (2009, November). *The role of the family environment in recovery from traumatic brain injury in childhood*. Invited address to the Experience-based Brain and Biological Development Research Program, Canadian Institute for Advanced Research, Toronto.
50. **Yeates**, K. O. (2010, August). *Social outcomes of traumatic brain injury in children*. Invited address presented at the annual meeting of the American Psychological Association, San Diego.
51. **Yeates**, K. O. (2010, December). *Neurobehavioral outcomes in pediatric settings: Research and clinical considerations*. Invited presentation to the Division of Cardiology, Department of Pediatrics, Emory University, & Sibley Heart Center, Children's Healthcare of Atlanta.
52. **Yeates**, K. O. (2011, February). *Childhood brain disorders as a window on the developing social brain: An essay in honor of Arthur Benton*. Benton Award address to the annual meeting of the International Neuropsychological Society, Boston.
53. **Yeates**, K. O. (2011, March). *Educational outcomes and interventions in children with traumatic brain injury*. Invited keynote address to the Second UK Pediatric Neuropsychology Symposium, sponsored by The UCL Institute of Child Health and Great Ormond Street Hospital for Children, London, England.
54. **Yeates**, K. O. (2011, March). *Social outcomes in children with traumatic brain injury*. Invited symposium address to the Department of Psychology, Brigham Young University, Provo, UT.
55. **Yeates**, K. O. (2011, May). *Pediatric neuropsychology and traumatic brain injury: Clinical and research applications*. Invited Grand Rounds presentation to the Department of Pediatrics, University of Michigan Medical Center, Ann Arbor, MI.

56. **Yeates, K. O.** (2011, July). *Mild TBI and postconcussive symptoms in children and adolescents.* Invited webinar sponsored by the Brain Trauma Foundation.
57. **Yeates, K. O.** (2011, October). *Long-term outcomes for children with acquired brain injury.* Invited presentation to the Preconference Symposia on Pediatric Traumatic Brain Injury at the annual meeting of the American Congress of Rehabilitation Medicine, Atlanta.
58. **Yeates, K. O.** (2012, March). *Assessment of long-term outcomes following pediatric TBI.* Invited presentation to the Pre-Congress Workshop, "Pediatric brain injury: Evaluation, assessment, and management," at the Ninth World Congress on Brain Injury, sponsored by the International Brain Injury Association, Edinburgh, Scotland.
59. **Yeates, K. O.** (2012, March). *Social outcomes after pediatric traumatic brain injury.* Invited address at the Ninth World Congress on Brain Injury, sponsored by the International Brain Injury Association, Edinburgh, Scotland.
60. **Yeates, K. O.** (2012, June). *Social outcomes in childhood brain disorder: Perspectives from social neuroscience and developmental psychology.* Invited workshop presented at the annual meeting of the American Academy of Clinical Neuropsychology, Seattle.
61. **Yeates, K. O.** (2012, August). *Social outcomes in children with traumatic brain injury.* Invited address presented at the annual meeting of the American Psychological Association, Orlando.
62. **Yeates, K. O.** (2012, November). *Cognitive and behavioral interventions for children with CNS disorders: What we know (and what we don't).* Invited symposium presentation to the annual meeting of the Child Neurology Society, Huntington Beach, CA.
63. **Yeates, K. O.** (2012, December). *Predicting functional outcomes following mild traumatic brain injury in children.* Invited presentation to Developmental Neurosciences Grand Rounds, Alberta Children's Hospital, Calgary, AB.
64. **Yeates, K. O.** (2013, April). *Families as a critical influence on children's recovery from traumatic brain injury.* Invited public presentation at the University of Calgary School of Medicine, Calgary, AB.
65. **Yeates, K. O.** (2013, April). *Social outcomes in pediatric traumatic brain injury: Perspectives from social neuroscience and developmental psychology.* Invited keynote address to the annual research symposium, "Acquired Injury in the Developing Brain," sponsored by Alberta Children's Hospital Research Institute on Child and Maternal Health, Calgary, AB.
66. **Yeates, K. O.** (2013, May). *Social outcomes in pediatric traumatic brain injury: Perspectives from social neuroscience and developmental psychology.* Invited presentation to the Brain and Cognition Sciences Seminar, sponsored by the University of Victoria and the University of British Columbia Island Medical Program, Victoria, BC.
67. **Yeates, K. O.** (2013, November). *Social outcomes in pediatric traumatic brain injury: From brain to behavior.* Charles Matthews Memorial Lecture, Neurology Grand Rounds, University of Wisconsin-Madison School of Medicine and Public Health, Madison, WI.
68. **Yeates, K. O.** (2014, March). *Outcomes of pediatric traumatic brain injury.* Invited presentation to the Oregon Traumatic Brain Injury Educational Consulting Team Training, Oregon Health and Science University, Portland, OR.

69. **Yeates, K. O.** (2014, March). *Outcomes of pediatric traumatic brain injury: A research program*. Invited colloquium to the Center for Brain Injury Research and Training, University of Oregon, Eugene, OR.
70. **Yeates, K. O.** (2014, March). *Social outcomes of pediatric traumatic brain injury: From brain to behavior*. Invited presentation at the 22nd Nelson Butters' West Coast Neuropsychology Conference, "Advances in the neuropsychological assessment and treatment of school-aged children with cognitive deficits," sponsored by the Department of Psychiatry, University of California at San Diego, CA.
71. **Yeates, K. O.** (2014, May). *Social outcomes in acquired brain injuries of childhood: From brain to behavior*. Invited workshop presented at the 37th Annual Brain Impairment Conference, sponsored by the Australian Society for the Study of Brain Impairment, Fremantle, Australia.
72. **Yeates, K. O.** (2014, May). *Predicting outcomes in pediatric mild traumatic brain injury*. Invited keynote address presented at the 37th Annual Brain Impairment Conference, sponsored by the Australian Society for the Study of Brain Impairment, Fremantle, Australia.
73. **Yeates, K. O.** (2014, June). *Social outcomes in acquired brain injuries of childhood: Perspectives from social neuroscience and developmental psychology*. Invited presentation to the conference, "Paediatric brain injury: developing and evaluating complex interventions," hosted by the Centre for Clinical Neuropsychological Research, University of Exeter, Streatham, UK.
74. **Yeates, K. O.** (2014, October). *Predicting recovery from mild traumatic brain injury in children*. Invited presentation to the 2nd annual Harvard Catalyst Child Health Symposium, "Mental health and the developing brain in the second decade of life: Research challenges and opportunities," Boston, MA.
75. **Yeates, K. O.** (2014, November). *Social outcomes of childhood brain disorders: From brain to behavior*. Invited keynote address to the Norwegian Neuropsychological Society, Oslo, Norway.
76. **Yeates, K. O.** (2014, November). *Predicting outcomes of mild TBI in children and adolescents*. Invited address to the Norwegian Neuropsychological Society, Oslo, Norway.
77. **Yeates, K. O.** (2015, January). *Predicting outcomes of pediatric mild traumatic brain injury*. Invited address to the Centre for Research in Neuropsychology and Cognition, Department of Psychology, University of Montreal, Montreal, QB.
78. **Yeates, K. O.** (2015, February). *Traumatic brain injury in children and youth: What every psychologist should know*. Invited workshop sponsored by the British Columbia Psychological Association and the BC Brain Injury Association, Vancouver, BC.
79. **Yeates, K. O.** (2015, April). *Social outcomes in children with traumatic brain injury: From brain to behavior*. Invited address to the Distinguished Lecture Series, Children's Specialized Hospital Research Center, New Brunswick, NJ.
80. **Yeates, K. O.** (2015, May). *Social outcomes in children with traumatic brain injury*. Invited keynote and knowledge connections grand rounds address, Pursuit Award Ceremony, Holland Bloorview Kids Rehabilitation Hospital and Bloorview Research Institute, Toronto, ON.
81. **Yeates, K. O., & Taylor, H. G.** (2015, October). *Persistent problems in children with mild traumatic brain injury*. Invited Mitchell Rosenthal Memorial Lecture Webinar, sponsored by the *Journal of Head Trauma Rehabilitation* and Brian Injury Association of America.

82. Beauchamp, M. H., & **Yeates**, K. O. (2016, February). *Social competence in pediatric neurological disease and injury*. Invited Student Liaison Committee workshop, presented at the annual meeting of the International Neuropsychological Society, Boston, MA.
83. **Yeates**, K. O. (2016, April). *Cognitive and behavioral interventions for children with CNS disorders: What we know (and what we don't)*. Invited presentation at the 23rd Butters-Kaplan West Coast Neuropsychology Conference, "Recovery and resilience in children with neurodevelopmental and acquired brain disorders," sponsored by the Department of Psychiatry, University of California at San Diego, CA.
