### **Course Description**

This course is designed to provide supervised training in an approved community setting, with an emphasis on increasing the breadth and depth of the students' clinical experiences. In addition, students will receive instruction on clinical supervision.

Students will normally be on-site 1.5 – 2 days per week during the months of September through June inclusive. The expectation is that students will continue to enhance their basic skills in assessment and intervention. In addition, students should attempt to round out their training by gaining experience with diverse populations and a variety of assessment techniques and treatment modalities in order to be competitive for residency selection. Other suitable activities include: observation, case conferences, treatment team meetings, seminars, consultation, or library research relevant to a particular case. At least 25% of students' clinical hours should be direct service and one hour of supervision should be provided for every four hours of direct service. Note that Ph.D. III students may be engaged in a more specialized activity (e.g., specific types of assessment or intervention, specific populations, community consultations, crisis intervention, etc.) in order to better prepare them for the residency application process. Practicum activities should be recorded in the standard APPIC format.

In addition to their off-campus practicum training, students are required to attend a regularly scheduled, two-hour case conference. Each student will present once at the case conference, following the specified format.

### **Prerequisites**

Admission to the Clinical Psychology graduate program.

### **Required Text**

No text required.

### **Assessment Methods**

A Credit-Fail grading scheme will be used. Grade assignment is based on meeting student responsibilities throughout the course. These include:

- professional and ethical conduct at all times,
- submission of the Practicum Agreement Form, Midterm and Final Evaluations signed by the student, supervisor, and Training Site Practicum Coordinator (final evaluation only) by the deadlines specified in the confirmation letter,
- a passing grade on the practicum evaluation,
- class attendance and discussion of the reading/case presented,
- case presentation following the specified format (described below)

Students are expected to discuss expectations and goals for the practicum with their supervisors at the outset of the placement, and to complete and submit the Practicum Agreement Form. Supervisors are expected to provide ongoing feedback to students regarding their performance and will complete two evaluation forms (midterm and final). **It is the student's responsibility to ensure that supervisors have access to the requisite forms and are aware of program deadlines. Students should contact the course instructor if the documentation will be delayed.** Supervisors will recommend the final grade to the course instructor. Students will also complete and submit an evaluation of their practicum experiences. Students are strongly encouraged to discuss their evaluations of the site and supervisor with their supervisors; however, they are not required to do so. **Forms can be found on the Dept. of Psychology website:**

<https://psychology.ucalgary.ca/graduate-program/clinical-psychology-graduate-program/current-students>

Absence from Class: Absence due to illness must be excused in advance by the instructor; otherwise, attendance at all sessions is mandatory for the successful completion of this course. Other exceptional circumstances should be discussed with the instructor prior to the absence and will be handled on a case-by-case basis.

#### **Format for case presentations:**

The purpose of the case presentation is to integrate clinical practice with the empirical literature. Thus, in presenting your case, please highlight how you conceptualized the case, and how the clinical scientific literature informed your practice.

**Presentations should be 30 minutes long with 10 minutes for discussion.** Students will be at a variety of practicum placements and will be involved in many different types of clinical activities. The following is a suggested format that may have to be modified, depending on your particular setting:

1. Describe the nature of the setting (e.g., community, inpatient, etc.). Describe your role in the setting (e.g., Are you part of a multidisciplinary team?).
2. Discuss the referral source and presenting problem.
3. Discuss the type of assessment that was conducted. Provide relevant information regarding the client's background and any relevant assessment information (e.g., from the clinical interview, psychological testing, etc.).
4. Discuss your treatment goals.
5. Discuss how you conceptualized the problem(s) and the treatment literature that you drew upon to do so.

6. Discuss your treatment plan, including specific interventions. Describe evidence regarding the efficacy and/or effectiveness of your selected treatment. If relevant, you may wish to discuss any modifications that you made to the treatment approach selected based on considerations of your client's individual characteristics (e.g., ethnicity, age) or circumstances.
7. Discuss your methods for monitoring treatment progress. Discuss how treatment has progressed (or not). If not, discuss potential obstacles and your strategies for overcoming them.
8. Discuss any legal or ethical issues that arose and how you handled them.
9. Discuss any diversity issues and how these were addressed.

**Note: To maintain confidentiality, do not use names and change any information that might reveal the identity of your client.**

### Copyright Legislation:

All students are required to read the University of Calgary policy on Acceptable Use of Material Protected by Copyright ([www.ucalgary.ca/policies/files/policies/acceptable-use-of-material-protected-by-copyright.pdf](http://www.ucalgary.ca/policies/files/policies/acceptable-use-of-material-protected-by-copyright.pdf)) and requirements of the copyright act (<https://laws-lois.justice.gc.ca/eng/acts/C->

[42/index.html](#)) to ensure they are aware of the consequences of unauthorised sharing of course materials (including instructor notes, electronic versions of textbooks etc.). Students who use material protected by copyright in violation of this policy may be disciplined under the Non-Academic Misconduct Policy.

### **Instructor Intellectual Property**

Course materials created by professor(s) (including course outlines, presentations and posted notes, labs, case studies, assignments and exams) remain the intellectual property of the professor(s). These materials may NOT be reproduced, redistributed or copied without the explicit consent of the professor. The posting of course materials to third party websites such as note-sharing sites without permission is prohibited. Sharing of extracts of these course materials with other students enrolled in the course at the same time may be allowed under fair dealing.

### **Plagiarism and Other Academic Misconduct**

Intellectual honesty is the cornerstone of the development and acquisition of knowledge and requires that the contribution of others be acknowledged. Consequently, plagiarism or cheating on any assignment is regarded as an extremely serious academic offense. Plagiarism involves submitting or presenting work in a course as if it were the student's own work done expressly for that particular course when, in fact, it is not. Students should examine sections of the University Calendar that present a Statement of Intellectual honesty and definitions and penalties associated with Plagiarism/Cheating/Other Academic Misconduct.

### **Academic Accommodations**

The student accommodation policy can be found at: [ucalgary.ca/access/accommodations/policy](http://ucalgary.ca/access/accommodations/policy). Students needing an Accommodation because of a Disability or medical condition should communicate this need to Student Accessibility Services in accordance with the Procedure for Accommodations for Students with Disabilities [ucalgary.ca/policies/files/policies/student-accommodation-policy](http://ucalgary.ca/policies/files/policies/student-accommodation-policy). Students needing an Accommodation based on a Protected Ground other than Disability, should communicate this need, preferably in writing, to the instructor.

### **Absence From A Test/Exam**

Makeup tests/exams are **NOT** an option without the approval of the instructor. A student may be asked to provide supporting documentation for an exemption/special request for a make-up exam <https://www.ucalgary.ca/pubs/calendar/current/n-1.html>. Students who miss a test/exam have up to **48 hours** to contact the instructor to ask for a makeup test/exam. It's the instructor's discretion if they will allow a make-up exam. **Students who do not schedule a makeup test/exam with the instructor within this 48-hour period forfeit the right to a makeup test/exam.** At the instructor's discretion, a makeup test/exam may differ significantly (in form and/or content) from a regularly scheduled test/exam. **Once approved by the instructor a makeup test/exam must be written within 2 weeks of the missed test/exam unless there are extenuating circumstances.** If a student cannot write their final exam

on the date assigned by the Registrar's Office, they need to apply for a deferred exam <https://www.ucalgary.ca/registrar/exams/deferred-exams>.

### **Travel During Exams**

Consistent with University regulations, students are expected to be available to write scheduled exams at any time during the official December and April examination periods. Requests to write a make-up exam because of conflicting travel plans (e.g., flight bookings) will NOT be considered by the department. Students are advised to wait until the final examination schedule is posted before making any travel arrangements. If a student cannot write their final exam on the date assigned by the Registrar's Office, they need to apply for a deferred exam

<https://www.ucalgary.ca/registrar/exams/deferred-exams>. Students with an exceptional extenuating circumstance (e.g., a family emergency) should contact the Department of Psychology ([psyugrd@ucalgary.ca](mailto:psyugrd@ucalgary.ca)).

### **Freedom of Information and Protection of Privacy (FOIP) Act**

The FOIP legislation disallows the practice of having student's retrieve tests and assignments from a public place. Therefore, tests and assignments may be returned to students during class/lab, or during office hours, or will be made available only for viewing during exam review sessions scheduled by the Department. Tests and assignments will be shredded after one year. Instructors should take care to not link students' names with their grades, UCIDs, or other FOIP-sensitive information.

### **Acknowledgments and Respect for Diversity**

Our classrooms view diversity of identity as a strength and resource. Your experiences and different perspectives are encouraged and add to a rich learning environment that fosters critical thought through respectful discussion and inclusion. The Department of Psychology would also like to acknowledge the traditional territories of the people of the Treaty 7 region in southern Alberta. The City of Calgary is also home to Métis Nation of Alberta, Region III.

### **Wellness and Mental Health Resources**

The University of Calgary recognizes the pivotal role that student mental health plays in physical health, social connectedness and academic success, and aspires to create a caring and supportive campus community where individuals can freely talk about mental health and receive supports when needed. We encourage you to explore the excellent mental health resources available throughout the university community, such as counselling, self-help resources, peer support or skills-building available through the SU Wellness Centre (Room 370, MacEwan Student Centre, <https://www.ucalgary.ca/wellnesscentre/services/mental-health-services> and the Campus Mental Health Strategy website <http://www.ucalgary.ca/mentalhealth/>

### **Evacuation Assembly Point**

In case of an emergency evacuation during class, students must gather at the designated assembly point nearest to the classroom. The list of assembly points is found at

<http://www.ucalgary.ca/emergencyplan/assemblypoints>

Please check this website and note the nearest assembly point for this course.

### **Student Organizations**

The Psychology Graduate Students' Association (PGSA) is an organization built to provide support for all graduate students in the Department of Psychology. They can be contacted at [pgsa@ucalgary.ca](mailto:pgsa@ucalgary.ca)

The Graduate Student Association (GSA) Vice-President Academic can be reached at (403) 220-5997 or [gsa.vpa@ucalgary.ca](mailto:gsa.vpa@ucalgary.ca); Information about the GSA can be found here: <https://gsa.ucalgary.ca>

### **Student Ombudsman's Office**

The Office of the Student Ombudsmen provides independent, impartial and confidential support for students who require assistance and advice in addressing issues and concerns related to their academic careers. The office can be reached at 403-220-6420 or [ombuds@ucalgary.ca](mailto:ombuds@ucalgary.ca)  
<https://www.ucalgary.ca/student-services/ombuds>

### **Safewalk**

The safewalk program provides volunteers to walk students safely to their destination anywhere on campus. This service is free and available 24 hrs/day, 365 days a year.  
Call 403-220-5333.
